ATLANTIC CITY, N. J. THE LEADING RESORT HOUSE OF THE WORLD

Capacity 1100 American and European Plans
The great essential of a resort hotel, as distinguished from a city hotel, is ample The great essential of a resort hotel, as distinguished from a city hotel, is ample public space devoted to the use of its guests, in the form of bright and any Exchanges, Lobbies, Parlors, Galleries and Solariums, affording pleasing vistas and beautiful promenades, the whole combining into a harmonious vision of grandeur and beauty, while replete with the cozy group seclusions of home, and yet affording full view of the pleasing panorama of the resort life. In this essential the Marthoraugh-Birentpetin stands without an equal in Atlantic City or elsewhere. Its "Ownership Management," while accounting for its unique reputation, is a guaranty of the high character of its patronage and the unexcelled quality of its service and cuisine. It employs only white service in both its American and a la carte clining rooms.

It makes a specialty of its high-class music every evening throughout the year, with special Sunday night solo features. Romani, the world's highest Tenor, of Venice, is engaged to sing at frequent intervals during July, August and September.

Attaintic City, with its only real commetitor (Europe) this year impossible, is off-ring unusual attractions and entertainments. Two fiving boats are daily sources of interes. Two golf courses, the Yacht Ciub, the fishing fleet and the wonderful bithing beach attract their respective devotees, while the pier amusements, the Boardwalk, the fire motor ro ds and the splendid hate's and restaurants, afford enjoyment to all.
